The graduate admissions procedure requires the applicant to gather individual letters of recommendation, as well as other documents, and submit a complete set of documents with the application. An advantage of this system is that the student knows the application is complete when submitted. After completing this form, please place it in an envelope addressed to the applicant, seal the envelope, and sign and date it across the seal. ***Return it to the applicant***, who will forward it to the university, unopened, with the application materials. The student has indicated above whether access to this recommendation has been waived. ***If you prefer to mail your recommendation directly to the Graduate Admissions Processing Center at the mail stop (MS) listed above, please inform the candidate and respond promptly to avoid delays in processing the application.*** We appreciate your cooperation. If additional space is needed, please feel free to attach a separate sheet. If you prefer, you may type your entire statement on your organization's official stationery and attach it to this form.
