

Reduction of Credit

This form is used to reduce the credits required for the PhD for between 15 to 30 credits.

Black text is completed by the student

Blue Text is completed by the graduate coordinator (Terrence Lyons)

Reduction of Credit Hours Required for Doctoral/MFA Program

NAME: <u>Larry Jones</u>	SID: <u>G-03496000</u>
MAJOR PROGRAM: <u>CONF PhD</u>	
SEMESTER/YEAR FIRST ENROLLED IN PROGRAM: <u>Fall 2004</u>	
<small>This form is not necessary for students with master=s degrees from GMU</small>	
TOTAL REDUCTION OF CREDIT HOURS: <u>15-30</u>	

- Transcripts showing the degree and course work must be attached. An official transcript must be in the student's permanent file in the Registrar's Office to honor this request. Non-U.S. transcripts must be translated and evaluated according to university policy.
- Reduction of credit is given only for course work used for a Master's, Juris Doctor, or other relevant post-baccalaureate degree. Course work not used toward a degree may be considered for transfer credit if earned within six years prior to student's first enrollment as an admitted degree-seeking student in current program.

Relevant Degree MS Received From: GWU Year: 2004

This student has entered our degree program with previous post-baccalaureate degree in a relevant field earned at an accredited institution. As a result of these credits, we will reduce the hours required for the degree as indicated below. Please record the reduction on the student's transcript.

COURSE #	INSTITUTION	TERM/YEAR	CREDITS EARNED	REDUCED NUMBER of hours for degree (may also list GMU equiv)
